

Your Best Choice for OpenESB
Support, Integration and
Composite Applications

From: Fred Aabedi
CTO

LogiCoy is familiar with Laconic Systems (www.laronicsystems.com) initiatives and plans to collaborate with them as needed to help them with integration of their products/solutions with EHRs. LogiCoy provides libraries and adapters and gateways for integration of client applications to off the shelf EHRs by mapping HL7, NCPDP, FHIR and other standard.
