Dear Jonathan,

Thank you for contacting my office regarding your thoughts on H.R. 1933, the End Racial Profiling Act. I appreciate hearing from constituents in my district and the time you took to share your thoughts.

As you may know, H.R. 1933 was introduced on April 22, 2015 by Rep. John Conyers Jr. [MI-13] and has been referred to the House Subcommittee on Crime, Terrorism, Homeland Security, and Investigations. This bill seeks to eliminate racial profiling through training and the adoption of antidiscrimination policies for Federal law enforcement.

The recent shootings of police officers and civilians are terrible tragedies. In reflecting on these devastating events we must ensure that members of the community and members of the police force are all treated with respect. I believe that all people, regardless of their race or profession, should be treated with dignity and respect.

I understand that you support this legislation and will keep your views in mind should this come before the full House of Representatives for a vote.

Again, thank you for contacting me and let me know if my office can be of assistance to you in the future. In addition, if you would like to stay informed on what is happening in Washington, DC and around the 13<sup>th</sup> District, I encourage you to sign up to receive my e-newsletter by visiting <https://rodneydavis.house.gov/contact/newsletter>. It is truly an honor to represent you.

Sincerely,

Rodney Davis
