

Reliance Cardiac Care, Inc. has entered into a collaboration with ***Business Savvy Solutions, Inc. DBA 1MEDiX*** to spur the development of applications that use open, standardized APIs to enable innovative ways for healthcare providers to interact with patient data and for consumers to aggregate their health data and documents in one place and under their control. The provider partner will provide necessary resources to share domain area expertise, data for pilot testing and joint PR to demonstrate usage.

Business Savvy Solutions, Inc., DBA 1MEDiX, will provide all IT functions in the development of the applications. The provider-partner will provide access to data, work-flows, processes and procedures relative to interacting with patients and patient data for the purpose of 1MEDiX development of useful applications as described above. This collaboration between Reliance Cardiac Care, Inc. and Business Savvy Solutions, Inc., DBA 1MEDiX, is not intended to create or imply the existence of an ownership partnership in any applications or Intellectual Property created during the above described collaboration. All future ownership interests, licenses and other Intellectual Property rights will be retained and owned solely by Business Savvy Solutions, Inc., DBA 1MEDiX and none will be vested or retained by the provider-partner.
