Example post

Wildlife Crime Tech Challenge

Posted By: Agency for International Development

The Wildlife Crime Tech Challenge is calling upon the global community to share bold and innovative science and technology solutions to stem the slaughter of the world's wildlife.

\$510,000

In Prizes

Open Until June 30th

¹ Once the applicant clicks on the post, they will then be lead to the Challenge website (https://wildlifecrimetech.org/)

² All other posts only reference the lead U.S. government funder and do not include partners.

³ Following the example of other USAID posts on challenge.gov, "In Prizes" is the maximum prize amount any given applicant could win. For the Wildlife Crime Tech Challenge, an applicant could win as much as\$510,000 (a \$10,000 Prize and a \$500,000 Grand Prize).
